

RoHS Declaration of Compliance

For the products which will be introduced by InoNet Computer GmbH to the European market from 01/August/2021, we can confirm to our customers that according to EN IEC 63000:2018 supplier declaration, we have carried out all necessary and appropriate investigations to ensure that these products manufactured by InoNet are compliant with Directive 2015/863/EU ("RoHS-3").

Although we make every effort to verify all third-party components and products for ROHS compliance, we must rely in good faith on information provided by suppliers regarding their ROHS-3 compliance.

Accordingly, we can certify that the products mentioned above are "RoHS 3" compliant and meet the requirements of the current revision of RoHS Recast Directive 2011/65/EU.

Declaration of REACH Regulation (EC No. 1907/2006)

InoNet acts according to the EU Regulation 1907/2006 (REACH) of 18 December 2006 as a downstream user (integrator of articles).

Based on the feedback from our suppliers, our products shipping to the EU territory comply with the restriction of SVHC (Substances of Very High Concern) in (EC) 1907/2006 of 18 December 2006 and do not contain any substances from the candidate list (SVHC list) from 10/07/2022 at a concentration of more than 0.1% by mass.

In respect of legal liability in excess of statutory obligations, InoNet accepts no liability for loss or damages, including indirect or accompanying secondary loss or damages and compensation for pain and/or suffering, relating to the information and provisions contained in this document regarding electronic equipment or materials, which do not conform to the RoHS or REACH requirements or specifications.

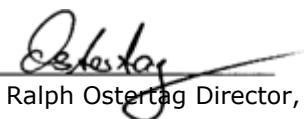

Declaration of POP Regulation (EU) 2029/1021 ex EC No. 850/2004

We hereby declare that our products and packaging material have a chemical composition in accordance with the below listed directives of the European Parliament and their respective amendments which are officially published until the revision date of this document.

POP Stockholm Convention

EG/850/2004 – POP-Directive EU/519/2012 Regulation to change annex I of EG/850/2004 EU/2016/293- Regulation to change annex I of EG/850/2004; annex IV and V to add PCB Nr. 2019/636 23. April 2019; Replaced by EU/2019/1021 June 20, 2019

With respect to legal liability in excess of statutory obligations, InoNet Computer GmbH shall not be liable for any loss or damage, including indirect or collateral secondary loss or damage and damages for pain and suffering, in connection with the information and provisions contained in this document relating to electronic equipment or materials that do not comply with the requirements or specifications of RoHS or REACH.
